

16th Annual LARC-Neuroscience Network Conference

Friday 9th November 2012
Action Stations, Portsmouth Historic Dockyard, UK

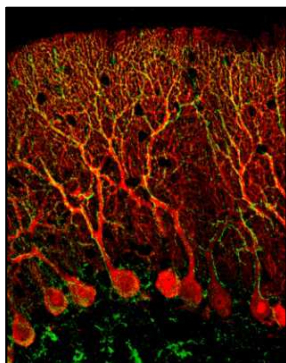

Dear Friends and Colleagues,

We are pleased to announce that the 16th Annual LARC-Neuroscience Network conference will be held on Friday 9th November 2012 at Action Stations, Portsmouth Historic Dockyard, UK.

Hosted by the University of Portsmouth, the day's events will be held in the centre of the City's cultural and maritime history. The programme will feature two plenary lectures, 12 oral presentations by some of the leading young researchers from the LARC member institutions, two poster display sessions and a lunchtime networking opportunity.

It is our privilege to announce that our keynote speakers for this event are:

Professor Graham Collingridge FRS

Director
MRC Centre for Synaptic Plasticity
University of Bristol
Former President of the British Neuroscience Association

Professor Peter Somogyi FRS

Director
MRC Anatomical Neuropharmacology Unit
University of Oxford

Please note, that there is **no cost** to attend the event, however we are limited to just **130 spaces**, so please register now to secure your place for the day.

To register please go to <http://larc-neurosciences.org/registration>. Once you have registered, if you would like to submit an abstract, please go to <http://larc-neurosciences.org/abstract> and follow the instructions.

If you would like any further information, then please do not hesitate to contact a member of the organising committee:
